

NFCB Publications

NFCB publishes a variety of periodicals, books and guides designed to equip stations with a reference library of useful materials.

Community Radio News

NFCB's monthly online newsletter of issues and events in the world of public and community radio includes regular updates on national issues from Congress, the Federal Communications Commission (FCC), the Corporation for Public Broadcasting (CPB), program offerings, employment listings and even a little community radio gossip.

FREE TO MEMBERS

Digital AudioCraft: An Introduction to the Techniques and Technologies of Digital Audio Production

Authored by Gregg McVicar and Mike Freitas, with a forward by *AudioCraft's* Randy Thom, this textbook covers all aspects of the craft of digital production including technology, production techniques, and intellectual property/copyright issues.

\$40 + S&H for members / \$55 + S&H for non-members

**\$39 for bookstore or bulk (Bulk rate is 10 or more books)—
UPS ground rate billed with order**

The Public Radio Legal Handbook

Receive a FREE one-year online subscription when you purchase a print version online! www.nfcb.org

An easy to read reference guide to broadcasting rules and regulations. Features checklists, examples and full explanations of the law to guide readers over commonly encountered procedural hurdles. A yearly online subscription allows you to check for and download changes in regulations as they occur. Funded by the Corporation for Public Broadcasting.

ONLINE SUBSCRIPTIONS: \$50 per year members / \$75 per year non-members

HARD COPY: \$75 + S&H for members / \$129 + S&H for non-members

EEO Compliance Forms on CD by Garvey Schubert Barer
\$40.00 + S&H

Starting an LPFM Station

This primer is full of startup information including FCC application information, sample logs and contracts. Just what your station will need to develop your new LPFM station.

\$50.00 + S&H

The Rural Program Director's Manual

This manual addresses the unique programming concerns of rural stations. Written by Ginny Z. Berson, NFCB; edited by Marcia Alvar, PRPD; and funded by the Corporation for Public Broadcasting.

\$10.00 + S&H for members / \$15 + S&H for non-members

The Volunteer Management Handbook for Community Radio

This handbook will help you define your needs, identify resources, recruit new volunteers and develop systems to monitor and encourage volunteer growth.

\$10 + S&H for members / \$15 + S&H for non-members

The NFCB Guide to Underwriting, 2nd Edition

A newly formatted and revised handbook for understanding and using the rules and regulations of on-air underwriting announcements.

\$20 + S&H for members / \$35 + S&H for non-members

Let a Thousand Voices Speak: A Guide to Youth in Radio Programs in the United States

This guide is filled with ideas and tips on beginning and running a youth radio project. From programming ideas to training curricula and organizational structure, this guide will help you create a project of your own. Funded by OSI.

OUT OF PRINT: Available for download online at www.nfcb.org

The Producer's Guide to the Hereafter

Funded by the Corporation for Public Broadcasting and the Smithsonian Institute, this guide gives advice about "versioning" radio broadcasts – creating ancillary products such as books, CDs and cassettes which extend the life of a radio broadcast.

\$15 + S&H for members / \$29.95 + S&H for non-members
